

Terms and Conditions

The following Terms and Conditions form the basis of a Contract between You and Little Swim Company LLP (hereafter referred to as LSC). Please take the time to carefully read through this Contract. By confirming with payment you are acknowledging that you have read, understood and agree to the following terms and conditions.

1.0 Teaching Policies and procedures

All LSC Instructors are ASA or STA qualified;

We will endeavour to provide a temporary replacement Instructor in the event of any Instructor absence;

We reserve the right to replace Instructors, if necessary once the term has started and cancellation due to Instructor change is not valid;

Due to in-house training, we may have a second qualified Instructor in the pool as part of their training to become a LSC Instructor:

LSC Instructors can only be responsible for students during their swimming lessons and parents and/or guardians are responsible at all other times. The swimming lesson begins when the instructor accepts charge of the student from the parent or guardian and ends when the student is returned to the designated pick-up and drop-off point at the end of the lesson. Although instructors will endeavour to hand the student back directly to the parent or guardian the student is the full and sole responsibility of the parent or guardian when the student is returned to the designated pick-up and drop-off point at the end of the lesson. This is very important so please ensure that you or your appointed guardian are present at the designated pick-up and drop-off point at the end of the lesson.

Parents must remain on the premises whilst the student is in their lesson. This is imperative in case of the unlikely event of a medical emergency, building evacuation or other situation.

LSC are not obliged to offer 'catch up' classes and will not transfer any missed lesson(s) from your current term to an alternative term.

There may be circumstances out of our control, in which the pool might not be available for LSC lesson(s). Examples of these circumstances include (but are not limited to) damage to the pool, severe weather conditions, power failures, industrial action, and instructor sickness. Where a lesson(s) are cancelled due to an unforeseen circumstance, LSC will undertake every action to ensure additional session(s) within the scheduled term (including haft term) or in between terms. If you are not able to attend this alternative date, or where LSC is unable to arrange the additional lesson(s), we will automatically credit you with the correct amount for the forthcoming term. LSC will not be able to cover the cost of any travel expenses if we use an alternative venue.

Should a lesson already in progress or about to start, have to be cleared for any reason, LSC is under no obligation to refund the lesson(s) or part thereof, although LSC will endeavour to make up the cancelled lesson where possible. If you are not able to attend this alternative date, or where LSC is unable to arrange the additional lesson(s), we will automatically credit you with the correct amount for the forthcoming term.

Any catch up classes are at the discretion of LSC and depend on the circumstance of the absence. LSC offers this service as a gesture of goodwill and is not statutorily obliged to do so. This is limited to a maximum of 2 per term where possible for LSC to offer the catch up class.
